For Kolsepio, no-tolerance is a zero-sum game. “If I have to fire someone, I have to bring in an outside agency to make sure that person can’t come into contact with our patients in the future,” he says. “It’s not going to be any fun. But I have to do it.” The flaw in this argument, argued in recent years by advocates of more limited abortion restrictions, is that there are alternative approaches to protecting women from abortion. These include education and care for women who want to take charge of their reproductive health; more comprehensive and accessible family planning services; and ensuring that women are able to have abortions safely. This is an instance of a broader 0cc13bf012
