And with his god-like skills, you must rise from a destitute youth to become the leader of an Elden Lord. All of this is set in a vibrant and expansive world that is filled with new and exciting content." "Through a variety of systems, you can freely customize your character and make them your own. The development of the weapons, armor, and magic items can be viewed from a different perspective. This is a game where you can select your own play style. The true-to-life action has a high sense of immersion. The world of this game is full of never-before-seen content."
