Retrowave - Cash Full Version PC/Windows Latest

In Retrowave you are a game designer who created your own game. Using an unknown medium, you call the game into existence. Your seed has taken root in the game and you begin to experience various emotions. While searching for your lost love, your emotions begin to change. About Retrowave - The Game: Choose between 2 different game types: 1. Story Mode - the original story mode, more linear in nature. 2. Arcade Mode - a 2.5D action game with arcade elements. Features: - Exploration - levels are randomly generated with alternative paths and secret passages. - FPS Arcade - you will be able to execute various actions, including attacking and dodging. - Multiplayer Online - you can challenge each other from all over the world. - Side-scroller platformer elements. - Submersible gameplay. - Clean and colorful art style. - Hidden secrets. - 15+ main levels. - Over 40+ hidden places. - 5 different types of enemies and 7 different types of weapons. - Two different playable characters. - Several upgrades. - Beautiful ambient music. - You can unlock different avatars, outfits and weapons for the main character. - New content is being added all the time. Human beings are now restricted to the surface of the planet following a vast nuclear catastrophe. 50 years later, they receive strange signals coming from the surface of the earth. They have sent you, a nuclear-fueled exploration droid, to investigate the source of those signals and find out whether there is any life on Earth once again. In this journey you will encounter different creatures, solve different puzzles and discover the story about how it all went wrong in the first place. Dive into the experience of a 2D sidescroller platformer metroidvania game as you explore unique areas, unlock secret paths, learn new abilities, fight bosses and more! 5.0/5.0 Gaming Unleash your inner warrior on a fantastical journey through 50 levels across 4 unique areas. A sequel to 2018's Legacy Quest, every aspect of gameplay and aesthetics has been improved. New gameplay additions include crawling, jumping up through platforms, moving platforms, and the ability to destroy gemstone blocks. New aesthetics additions include full HD gameplay, with improved animations across every element. Plus, a brand new colorful, cute, and fun visual style. You'll also get an all-new menu, and continued support for gamepad play. 06/08/2022 Despite some hiccups, LQ2 is still actively being developed and will launch as soon as possible. Take up the role of Detective James as you try to uncover a mysterious criminal's hidden identity. Reveal deep and disturbing secrets, solve unique puzzles and bring the schemes of a dark Cult to light. All under the effect of Dementia, a syndrome capable of making you mistrust even your own self. You can walk to multiple environments by interacting with the Detective hologram outline in order to move from point to point and investigate various positions. Examine and discover hidden clues that can lead you one step closer to a criminal's hidden identity. RED ORDER Discover the connections and schemes of this known cult. DEMENTIA Can you handle the effects of this syndrome? Be the right guide for Detective James. Do not let it misdirect you from your goal. Linear Story Driven Campaign Our goal is to deliver an emotional journey that will be memorable to the players. 3D Audio One of the biggest reasons to wear headphones. Volumetric Lighting Spooky atmosphere with dynamic lighting, realistic reflections and shadows. Inventory Management Collect useful tools or items throughout your journey. Horror Elements It wouldn't be a dark story without the "Fear" factor. Visual Effects and paranormal events that add up more to the experience. Can you handle this emotional journey? Reviews Lamentum is a well-crafted and loving homage to the survival-horror genre as a whole! With plenty of replay value, a terrific atmosphere, and thrilling gameplay it will surely go down as a classic title of the genre. 8.5/10 Geek News Now Lamentum transported me to a place of nightmares that I didn't want to wake up from. Its gameplay was spot-on and the world that Obscure Tales built was flawless. I wish there were more games in the genre like this. 10/10 Game Tyrant Lamentum is equal parts frightening and enticing, serving up a sc
