Births Deaths See also 2000 in Italian television List of 2000s in Italy ReferencesThe goal of this research is to establish whether a readily available and inexpensive scale measuring postural sway can be used to detect and evaluate polyneuropathy, diabetic polyneuropathy and diabetic neuropathy among patients in a large inner-city primary health care system. Specific aim #1 is to establish the reliability and validity of our new scale, the postural sway meter, in adult diabetes patients. Data already collected in the study of this aim will be used to develop and refine the scale. Specific aim #2 is to establish the diagnostic utility of the postural sway meter by comparing changes in postural sway with changes in neuropathic deficits 648931e174

I hurt people when I'm angry. It's part of my nature. I've learned to mask my temper, I've learned not to take it out on others. But we all have our tipping point, my point of no return. Mine is at the end of a phone conversation. I can't explain why I react that way. I just do. A couple of weeks ago, I had just
