Immerse yourself into your favorite world of stories, news, interviews, animations, music, art and more. Create your own content, find videos for any topic, and share it all with friends, family, and the world. Be the first to create what people are talking about.First I would like to tell you I found your map to be very well made. It will serve as a great starting point for my Son. My son is a big man, 6'3" and 225 lbs. He has gotten caught up in all of the information that is out there and I felt it would be an advantage for him to have a map that he could use to plan his adventure. I found your map a great starting point for him. He is going to start out where the map says Eastern Mountain with the intentions of taking the route that your map shows to be less mountainous and easier to navigate. It will be a challenge for him but we are going to give it a shot. I would like to thank you for taking the time to create your map. I found your map to be very well made. It will serve as a great starting point for my Son. My son is a big man, 6'3" and 225 lbs. He has gotten caught up in all of the information that is out there and I felt it would be an advantage for him to have a map that he could use to plan his adventure. I found your map a great starting point for him. He is going to start out where the map says Eastern Mountain
