Concrete is a mixture of sand, cement and aggregates which can be made into various forms,. More on: Cement, Concrete, Concrete Mix, Concrete. Concrete is an admixture containing a mix of cement, sand, water, and other.Euronews Romania's President Traian Basescu has won emergency powers to impose martial law for up to two months. This comes after protests calling for Basescu's resignation over public allegations of corruption and misuse of state funds. Basescu says those who are against him are plotting with organised crime and foreign powers. "Today the Romanian people had a day of wrath against the president, the government, organised crime, the blackmailers, the foreign powers," he said, speaking on state television. "The blackmailers, those c6a93da74d
