Until yesterday when I started playing with this iPad version. I admit, the iPad version is still pretty good. I still enjoy playing it, even if this opens up the opportunity to play Solitaire on the go. I should not say this to the creator of this game, Rob Williams, who is a fan of the Nokia version of Solitaire. So, I decided to post this message on his Facebook page and he replied, giving me his details. Now, I'm working on getting in touch with him via email.
