mr_heracliusvote: 9/10fantastic movie by ashutosh gowariker! amazing story plot. great cast- aishwarya rai bachchan, hrithik roshan, sonu sood. amazing music!! definitely worth seeing. a great re-telling of story and setting for a great history. though there's a huge controversy for the history part of the story (which the whole point of the movie really was), jodha akbar is an ideal, disney-ish version of the history therefore making it an entertaining, romantic movie. i'll definitely watch it over and over again. an epic movie. a long-limbed story that is utterly simple in structure, but decorated with enough character interplay and side plots to keep the movie ticking over to a powerful finale. loved it. fantastic. in the popular indian fantasy cinema, the stories tell the tales of their

heros inner battle to create a bright future for india after the fall of the rajput dynasty. a people struggling to survive a civil war, they managed the task of bringing about a new dawn, and the reawakening of a thousand year old country.
